

Fire and Rescue Departments of Northern Virginia Operational Manual Request Form

The Fire and Rescue Departments of Northern Virginia is a regional coalition of fourteen (14)-member departments that, for forty-five (45) years, have displayed an unprecedented level of cooperation in providing emergency services to the region’s communities. To guide the delivery of services, the region leverages standardized response protocols and operational procedures that are unencumbered by the boundaries of the respective political subdivisions. These regionally agreed upon protocols, procedures, strategies, and tactics are codified within thirty (30) distinct *Fire and Rescue Departments of Northern Virginia Operational Manuals*.

This form may be used to request one or more of the *Fire and Rescue Departments of Northern Virginia Operational Manuals*. Below, the following information is required:

1. Name of the requesting agency.
2. The name of the manual(s) being requested.
3. A detailed discussion of the intent of the request. For example, what training, planning, or response gap is the requesting agency seeking to address, or capability built, through use of the manual(s).
4. A signature from the requesting agency’s chief or civilian leadership.

Requests will be reviewed, and as appropriate, approved by the Northern Virginia Fire Chiefs Committee. Please allow at least four (4) weeks for the review process to occur.

Completed forms may be returned to info@nvers.org. A staff member from the Northern Virginia Emergency Response System (NVERS) will confirm receipt and coordinate a review of the request. If the request is approved, an NVERS staff member will distribute a copy of the manual(s).
